## COMPANY OVERVIEW

Nova Titan Systems LLC is a Lubbock-based small business providing comprehensive IT infrastructure, cybersecurity, cloud security, field services, and ICS/OT support to government and commercial clients. We deliver multi-discipline technology solutions with rapid West Texas deployment capabilities and owner-led execution for maximum accountability and responsiveness.

## CORE COMPETENCIES

### 1. Cybersecurity & Cloud Security

- Cloud security posture management (CloudWarden platform)
- Vulnerability assessments and penetration testing
- Security awareness training and phishing simulation

- IAM implementation and policy development
- Incident response planning and execution

## 2. IT Infrastructure & Networking

- Network design, deployment, and optimization
- Server installation and configuration
- Firewall setup and policy management
- VLAN segmentation and access control
- VPN and remote access solutions

## 3. Field Technical Services

- On-site equipment installation and troubleshooting
- Desktop/laptop deployment and imaging
- Peripheral setup (printers, scanners, displays)
- Break-fix repair and hardware replacement
- Cable management and structured wiring

## 4. Telecommunications & ICS/OT Support

- VoIP phone system deployment
- Unified communications setup
- IoT/OT device configuration
- Industrial control system security
- Legacy system integration

## 5. Consulting & Managed Services

- IT strategic planning and technology roadmaps
- Managed IT support and helpdesk (24/7 available)
- Cloud migration and backup solutions
- Technology vendor management
- Documentation and knowledge transfer

## COMPETITIVE DIFFERENTIATORS

- **Multi-discipline service model:** Cybersecurity + Infrastructure + Field Services
- **Rapid West Texas deployment:** Lubbock-based with regional coverage
- **Owner-led execution:** Direct accountability, no organizational layers
- **Micro-purchase readiness:** Credit card accepted, fast turnaround
- **Prime & subcontract flexibility:** Experienced in both roles
